# Dennis on the Grapevine

Hi All

As you know I don't do newsletters very often unless I have a good reason and this is a very good reason. To all those people who were disappointed I had run out of previous stock and had asked me to let them know when the new stock was going to happen I am now letting you know.

At last my 2016 Shiraz Vintage Port is going into production sometime in the next two weeks! I am able to offer some pre-release specials of the port

## Port is coming back! Sparkling Specials!

because we have been able to make a few more bottles than originally estimated. There are 150 bottles with old stock labels (2011) but with the new port and some clean skins with the new port as well (150).

The Recommended Retail Price (RRP) will be \$27.00 at the official release.

The special price will be \$20.00 per bottle: a \$7.00 discount!

For any sales that require postage in the metro area this will be available at an extra \$10.00 per dozen.

Due to the new Eparcel arrangement orders from country areas now attract a steep increase of up to \$30.00 per dozen. This unfortunately is beyond my control and is frustrating as once again country

people have to pay more.

At the same time we are releasing a new 2010 Sparkling. A small batch was made last September and sold out in one day! It was given a Bronze medal at the PHVA Wine Judging Show and just missed out on a Silver. RRP will be \$25.00 per bottle.

To make way for the new Sparkling we are offering the 2009 Sparkling at 6 bottles for \$100.00.

For Christmas Bubbly this is a great bargain and for all people that know and love our Sparkling please come and take advantage of this special while stocks last or email me an order. If you are close by delivery is free. Email [dennis@carldennwines.com.au](mailto:dennis@carldennwines.com.au) or phone 0419 941 107.

Cheers Dennis.
